Honorable Edward P. Boland, Chairman
Permanent Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for your letter of August 14, 1979, in which you accurately stated the understanding that you and I have with regard to timely notifications to the House Permanent Select Committee on Intelligence of possible illegal or improper actions by intelligence officers or employees, or which otherwise relate to concerns of your Committee. I concur with the philosophy and the concerns expressed in your letter and both I and my staff will make every effort to be as forthcoming as humanly possible.

Having said this, I feel compelled to add that we will be forced to use some judgment in this area. Differently expressed, frequently there is no reliable way to determine that which might appear in tomorrow's press and/or how that particular item will be treated by the media. Having said this, please be assured that we all will make every effort to err on the side of overinforming rather than allowing matters to slip up on us.

I would like to take this opportunity to thank you personally and the other members of your Committee for your support and understanding throughout the first two years of the Committee's existence and I look forward to a continuingly healthy and vigorous relationship.

Yours sincerely,

STANSFIELD TURNER
